Dear Sheri,
I guess it's true that we don't know each other, but sometimes the funnest friendships are those that are with people you don't know too well. I had a lot of fun knowing you. I'll let you in on a secret. At the beginning of the year, I used to call you boo-boo because I use to think you were cute. So I "stared" at you and smile you're still cute. Have a lot of fun this summer and I'll try my best to see you.
Love,
Scott

Dear Sheri,
Well Kid, the year is over and everybody is glad. Except me. Because I know that I won't see you everyday like I did at school. However, since we do live so close by, why don't we get together for a shop or a lunch or a something. Alright I would love it you know, because I love you. You are a wonderful friend to have. Please take care of yourself this summer. Je t'adore,

Childhood Education Aide is a co-ed class offered to eleventh and twelfth grade students interested in child education. All those who graduate from the class will receive 20 credits for the completion of 2 hours a day for one year. The kids are here at Birmingham 3 days a week riding bikes, making crafts, singing songs, playing with blocks, wearing out the teachers, and making new friends.

RESERVED FOR ELLEN

Well my little red haired friend,

I will never forget WAY BACK IN grade school with us running around like little maniacs, (we were so cute) but those memories are so precious to me and I will never forget them, but we must live for today and today I want be the best of friends with you, and in the future. Because you are such a unique person and I love ya. you understand me so well and you put up with all the things I do and that takes a lot of patience on your part and that only takes a fantastic person. And that's what you are and you always will be. And it doesn't matter what anybody else says because I will always be there to comfort you

clubs and organizations

To the best of friends always

SHERRY—
YOU AND LISA AND THE
WHOLE GROUP ARE SOME
OF THE GREATEST KIDS
TO BE WITH I'VE MET
SO FAR. I'M SO GLAD
I GOT TO KNOW YOU

The offense was led by Mark Scarpaci at quarterback and Rick Goddard at fullback. Great efforts on the line were made by Kevin Kolarik, Tom Claire and Danny Arnett. The defense was spearheaded by Tom Claire, Aaron Hester and Bob Morrison.

Sheri,
Hi Boots! Whats new? You're such a lovey and I love ya sooooo much. Besides that you have a fantabulous personality. You're soooo bubbly. I saw lots of you at Portola but I think we're better friends now. I also think you're a real groovy folk-dancer. Keep up the good work. Next year let's make sure we take this groovy far out class. Let's get together over the summer okay? For sure! I love ya and see ya soon I hope.

Love ya lots,
Donna

P.S. Don't forget about Elton John
HE'S NO. 1!!

Sheri,
It was really nice having you in class. Typing was dull but it wasn't our faults. Anybody who likes Elton John can't be all bad. I hope to see you this summer but if I don't I hope to see you next year.
Have a great summer!
